Building Dedicated in Memory of Trooper Milan D. Hendrix

Friends and state dignitaries honored the memory of **Trooper Milan D. Hendrix** with the dedication of the Pensacola Communications Building in January. The late Hendrix was the first FHP trooper killed in the line of duty in the Panhandle.

Colonel Billy Dickson conducted the dedication and presented a plaque to the Hendrix family. Hendrix's brother, **Marque**, currently serves with the FHP in Pensacola and his father **Ray** served as an auxiliary trooper for several years.

Remembered as an easy-going but hardworking man, Hendrix served the citizens of Florida from March 1980 to June 1989. The Allentown resident was a graduate of the 59th Recruit Class of the FHP Training Academy.

A special thanks to those who sponsored the bill in the Florida Legislature dedicating the Pensacola Communications Building in memory of Trooper Hendrix. ■
