Dear Director:

I was stopped by Florida Trooper M.D. Brown on 10/20/06 on SR 79 just outside Bonifay. I had not slowed to the speed I should have.

I wanted to commend Trooper Brown for the profesional and courteous way he handled the situation. He was very firm with me that I was exceeding the limit, but did it in a very nice way.

Keep up the good training with your officers.

Sincerely,

Blanche A. Logan
