Col. Christopher Knight
Troop D – Orlando

Dear Col. Knight,

We would like to thank you and all the troopers who helped us at the Chevron gas station, on 17th Street and Cordova Road. after Hurricane Wilma.

Without the help of these fabulous troopers, we would not have been able to operate the station and supply gas to all those customers who desperately needed it. Their assistance in keeping an orderly flow of traffic was appreciated by our customers and us. There were no arguments or fights during the entire week following the hurricane.

A very special thanks goes to Trooper D. Rodriguez, Trooper C. Dickens. and Sgt. J.A. Montes.

Thanking you,

David Zinn. and all the staff
