

HSMV ITN 760:0526 – Questions and Agency Responses

	Question:	Agency Response:
1	Will the Dept. of Highway and Motor Vehicles (“Agency”) allow a bidder to submit a facility outside of the prescribed boundaries?	Unless deemed in best interest of Agency and State of Florida to deviate from boundaries, all sites within boundary will be reviewed and given preference. If ITN submittals received by Agency within boundaries are not found sufficient, they will look at sites outside of boundaries during the evaluation process.
