Issue:

The Office of Agricultural Law Enforcement and Motor Carrier Compliance both conduct law enforcement missions that involve commercial and non-commercial vehicles. Both organizations also staff facilities located on local, state and federally maintained roadways.

Scope:

Conduct an operational review of Agricultural Interdiction and Motor Carrier Compliance to determine if duplication of function exists between the two organizations. The team will seek to determine if increased efficiency can be experienced as a result of merger and/or co-location.

Team Goals:

Identify any duplication of function and identify any efficiency.
Provide options for increased efficiency to the Task Force for consideration.

Work Product:

Complete and submit a report to the Task Force outlining the advantages and disadvantages of merging and/or co-locating these two units.

Timeframe for Completion:

September 28, 2011
