Issue:

Each of the state agencies participating in this committee own and operate aircraft.

Scope:

Conduct a review of state-owned aviation units to determine if duplication of function exists. The team should seek to identify if any efficiencies can be gained by consolidating all or portions of these five air wings.

Team Goals:

If any duplication or potential efficiencies exist, provide options to the Task Force to consider.

Work Product:

Complete and submit a report to the Task Force identifying the advantages and disadvantages of consolidation.

Timeframe for Completion:

September 28, 2011
