**Persons to Serve as Resources to the Team, but not Members of the Team:**

**Issue:** Review and determine if duplication and redundancy exist related to the state's law enforcement training programs. Specifically, this review will only examine the training functions within each agency related to sworn/certified officers and will not include any consideration for non-sworn or civilian training.

**Scope:** Examine the current training processes, staffing, facilities and administration of the state's law enforcement training programs and make recommendations as appropriate.

**Team Goals:** Team members will examine four (4) specific areas related to law enforcement training. Basic Recruit; Advanced/Specialized/Mandatory Retraining; Agency Specific; and Facilities currently utilized for training delivery. It should be noted that the Basic Recruit and Advanced/Specialized/Mandatory Retraining is the training directed by Florida Statute and the Criminal Justice Standards and Training Commission.

**Work Product:** Draft report which will identify areas of duplication for each program outlined under Team Goals.

**Timeframe for Completion:** Draft report to be completed by September 30, 2011.
