Navigation Hints

By Question (Use View Summary Page):

Page opens to a “View Summary Page”. This page allows you to see responses to each specific question.

To see comments associated with each specific question, click on “Show replies” after or beside that question. From there, if you click on “Find” it will show the entire survey as it was completed by that county. To return to the “View Summary Page” click on “View Summary” (top right corner).

By County (Use Browse Responses Page):

Click on “Browse Responses” (top right corner). This page will give you the entire response as completed by each county.

Clicking on “Prev” (previous) or “Next” allows you to find each counties response.
