## MOBILE LICENSING OFFICE TO BRING SERVICES TO VETERANS AT JOB FAIR

*~ Serving those who served our nation ~*

**JACKSONVILLE** -- The Florida Department of Highway Safety and Motor Vehicles wants to show our appreciation to Florida's military veterans and servicemembers. As a "thank you" to our troops, past and present, the Department is pleased to announce its participation in an event to bring services directly to them, saving them a possible trip to our offices. On March 18, 2009, the Florida Licensing On Wheels mobile office will be at the Tri-Base Job Fair in Jacksonville.

Florida Licensing On Wheels mobile units are equipped with the technology and ability to bring valuable DHSMV services directly to customers. They provide a convenient method to renew a driver license, obtain a duplicate driver license, change a name or address on a driver license, get an identification card, renew a vehicle registration and purchase a specialty license plate.

FLOW staff members also provide driver license and ID card holders the opportunity to enter Emergency Contact Information into a secure database only accessible to law enforcement. ECI is a critical tool used by law enforcement officials in cases where an emergency contact needs to be notified, such as a serious traffic accident.

The Department provides a complete list of acceptable documents online at [www.flhsmv.gov](http://www.flhsmv.gov). Visit <http://www3.hsmv.state.fl.us/intranet/FlowMobile/> for a complete listing of services offered. In addition to cash or checks, DSHMV accepts Discover, MasterCard and American Express credit cards.
