The next item is Number 3, and it's to seek approval to publish a notice of proposed rulemaking

In Florida during 2014, there were 32 deaths and over 700 injuries caused by crashes in which children under 18 were not secured in car seats or wearing seat belts. The Department also promoted *National Seat Check Saturday*, highlighting local car seat check-up events.

Trooper Rawald Saves a Life: Trooper Paul Rawald (Troop C – Tampa) stopped an impaired, reckless, driver with a child passenger on I-75 in Hernando County. When the driver got out of the vehicle, it began to roll toward a ditch with the unrestrained toddler still inside. Trooper Rawald ran and jumped into the vehicle to stop it, saving the toddler from possible injury or death.

Trooper Covert Saves A Live: On September 29, FHP Corporal Jim Covert (Troop C – Tampa) was traveling northbound on the Sunshine Skyway Bridge when he observed a subject attempting to commit suicide by jumping from the bridge.
