TO: Law Enforcement Agencies

FROM: Maureen Johnson, Chief   
Bureau of Records  
Division of Motorist Services

SUBJECT: Disposal of Confiscated Driver Licenses

As a reminder, law enforcement agencies' procedures should require officers to turn in confiscated driver licenses to a designated unit or official. The driver licenses should then be destroyed by burning or shredding to prevent the misuse of the driver license and to protect its personal identifying information.

We appreciate your cooperation. If you have questions regarding the disposal of confiscated driver licenses, please contact the Bureau of Records at (850) 617-2702.
