SUBJECT: Night Version of D.A.V.I.D.

We are pleased to provide a new version of the Driver and Vehicle Information Database (D.A.V.I.D.) with a black background for easier viewing during evening hours. We hope this change will enhance officer safety during low light patrol hours.

On the initial D.A.V.I.D. screen, please select the box to the left of “**Check for Night Version**” to activate this feature.

Please remember that D.A.V.I.D. should be used for official law enforcement purposes only. For more information, visit our web site at www.flhsmv.gov/courts. Please direct any questions to Joann Leadon at 850-617-2657 or at JoannLeadon@flhsmv.gov.
