

Court Superlatives

The County Clerks of Florida have been divided into three groups to better gauge their overall quality. The groups are based in their average annual citations processed over a 5 year period. Large County Clerks processed an average of over 90,000 citations. Medium County Clerks processed an average of 20,000 to 90,000 citations. Small County Clerks are classified as having processed an average of less than 20,000 citations.
