FLORIDA DEPARTMENT OF HIGHWAY SAFETY AND MOTOR VEHICLES

SaDIP 2014 Law Enforcement Application for E-Crash Hardware

The Florida Department of Highway Safety and Motor Vehicles (DHSMV) was awarded a Federal Motor Carrier Safety Administration (FMCSA) Safety Data Improvement Program (SaDIP) Grant, **CFDA Code: 20.234**, which allows for the dissemination of Portable Computing Devices (PCD) and mounting hardware to state and local law enforcement agencies for the purpose of electronically reporting Commercial Motor Vehicle (CMV) crashes.

Applications will be scored based on agency's need, the quantity of CMV crashes reported and the agency's plan for expanding or implementing an e-crash program.

The deadline to submit applications is **Friday January 30th, 2015**. Applications can be submitted via email to E-Crash@flhsmv.gov or mailed to the Department at:

Department of Highway Safety and Motor Vehicles
 Attn: Jim Hage

IMPLEMENTATION PLAN

Please describe, in detail, your agency's e-crash program. If your agency does not currently have an e-crash program, describe your agency's plan for implementing such a program. In your plan, please include a target date for implementation.

Describe the impact funding will have on your agency's ability to increase electronic submission of CMV crash reports. Be specific. What percentage improvement in the electronic reporting of CMV crash reports does your agency foresee? Will the purchase of Portable Computing Devices and mounting hardware allow your agency to electronically submit all CMV crash reports?

Describe your agency's plan for training those officers who will receive the e-crash hardware purchased through this program. Does your agency plan to provide formal training in the use of the hardware and how to complete electronic citations/crash reports?

Describe how your agency will identify officers, receiving Portable Computing Devices and hardware, who will have the greatest impact on reporting CMV crashes. Does your agency have a designated group of officers responsible for reporting crashes?

DISCLAIMER AND SIGNATURE

By submitting an application, applicants agree to and understand the following guidelines:

- Agencies receiving Portable Computing Devices and hardware must agree to the terms and conditions set forth by the Department of Highway Safety and Motor Vehicles (DHSMV) regarding the usage of that equipment for a period of two (2) years.
- Agencies must be aware that the use of Portable Computing Devices and hardware, funded through the DHSMV, may be audited to ensure the receiving agency is in compliance with terms and conditions set forth by Department.
- The DHSMV reserves the right to repossess or be reimbursed for the amount paid by DHSMV for any and all Portable Computing Devices and hardware purchased through this program from any agency found in violation of the agreed upon terms of usage.
- Within six (6) months of the execution of the Sub-Recipient Agreement, agencies are required to utilize the DHSMV reimbursed Portable Computing Devices to electronically submit CMV crash reports. Failure to meet this deadline may result in the repossession of any and all Portable Computing Devices and hardware purchased through this program or be reimbursed for the total amount paid by DHSMV.
- Use of reimbursable funds to purchase software is strictly prohibited.
