

IMPORTANT NOTICE

July 28, 2010

TO: ETR Vendors

FROM: Carl A. Ford, Director
Division of Motor Vehicles

SUBJECT: Urgent Update - Electronic Temporary Transfer of Metal Plates

The Florida Department of Highway Safety and Motor Vehicles has completed programming to allow for the temporary transfer of a metal license plate. The system will be fully functional to begin transferring metal license plates effective August 2, 2010.

We sincerely appreciate your patience and cooperation.

If you have any questions, please contact Palmer Brand at (850) 617-3001.
