

**TECHNICAL ADVISORY**

**DIVISION OF MOTORIST SERVICES**

<b>DATE: April 6, 2016</b>	<b>Technical Advisory RS/TL16-009</b>
<b>SUBJECT: American Red Cross Specialty License Plate</b>	

**Overview:**

The American Red Cross Specialty License Plate has been discontinued.

**Details:**

Effective immediately, please stop processing any transactions for the American Red Cross specialty license plate. Also, discontinue ordering inventory for the codes RXR, RXP and RXA. FRVIS will be updated to stop any transactions.

We will notify all customers with an active registration that they must replace their license plate at the next renewal.

Each county must mark the appropriate range(s) obsolete, which will automatically transfer the range(s) to Bin 67, which is designated for obsolete inventory. Additionally, please physically remove obsolete license plates from your inventory for PRIDE to pick up when it makes future deliveries.

**Conclusion:**

We appreciate your cooperation. If you have any questions or need additional information, please contact the Inventory Control Section at (850) 617-2809 or the Field Support Center.
