

TROOP E HEADQUARTERS - MIAMI

October 15, 2001

TO: All Personnel

FROM: Major David L. McCarter, Jr. *DMC*

SUBJECT: Financial Assistance for NYPD

I would like to take the opportunity to commend you for helping in providing financial assistance to the families of the New York City police officers who were killed or injured during the September 11th attack on the World Trade Center.

Because of your efforts and thoughtfulness, the troop was able to collect a total of \$2900.00 dollars for the families of this devastating disaster. Your compassion and contributions are a source of great pride to me, the Florida Highway Patrol and to the people of the State of Florida. Those who lost their loved ones and those who were injured will surely remember your efforts and take comfort in the fact that you cared.

Again, I am deeply grateful to you for your efforts and contributions and for continuing to do a great job in this most difficult time in our Country.
