TO: Trooper Thomas Colalillo  
FROM: Major Grady Carrick  
Troop Commander *GC*  
SUBJECT: Commendation - Drug Seizure

On November 8, 2001, you stopped a vehicle for unlawful speed on Interstate 95 in St. Johns County. During your investigation you determined that the rented vehicle you had stopped was "overdue". Based on probable cause you developed, a search of the driver revealed he was carrying over 65 grams of cannabis on his person. The driver was placed in custody and transported to the county jail on charges of felony possession of cannabis and other related charges.

You are to be commended for your excellent police work in this case. Because you took the initiative to look beyond the obvious in this traffic stop, the seizure of illegal drugs occurred. Thank you for doing a great job and for helping us remove dangerous drugs from our streets and highways. Keep up the great work!
