Re: Officer Brandon Snead

Dear Major Kelly:

Following a recent situation where I was stopped by one of your officers, Brandon Snead, I felt I should contact and advise you of the occurrence. Officer Snead stopped me on U.S. 27 North and as a result of this stop, I received a ticket and a warning. I have no complaint of the action taken by him, quite the opposite. I would like you to know that Officer Snead handled the situation in a very professional and courteous manner and you should be proud to have officers of his caliber working under your command. I doubt you receive comments of this type, but I felt it was necessary to let you know that Florida's Highway Patrol should be complemented for having officers like Brandon Snead.

Sincerely,

Charles W. Field
Chief of Construction Management
Leon County Public Works Department
