DIRECTOR -

FLA. HWY. PATROL

TALLAHASSEE, FL. 32399

Gentlemen -

I don't know how much feedback you guys get from citizens, but I felt I had to let someone know how much I appreciated the experience that I had - - ON A TRAFFIC STOP (see enclosed) 5/14/02 -

The officer had every reason in the world to write me a moving violation ticket.

The officer gave me a stern but respectful idea about keeping my mind on my speed & conditions (traffic that I changed lanes in) - I kept his warning notice in my car where I would see it.

IT got me (and others) back to Michigan safely. - THANKS AGAIN FOR A GROUP THAT DOESN'T GET ENOUGH CREDIT & RESPECT FOR WHAT THEY DO.

Keep me on ANY donation list  
THAT PERTAINS TO FLA. Hwy Patrol.

Sincerely,  
Bill Baker
