Dear Officer Blackwell,

Thank you so much for participating in Conway's Teach-In last week! The students had a wonderful time learning from you. Many complained you just weren't in their classroom long enough!

Because of your commitment to education and the students of Conway, Teach-In was a great success. Activities such as Teach-In help strengthen the bond between our school and our community. I appreciate your talking the time out of a very busy schedule to spend it with us. The children will not forget you or what you said for a long time.

I hope you will continue to support education and come join us another time.

Very truly yours,

Denise Johnson  
Learning Specialist
