DIVISION OF FLORIDA HIGHWAY PATROL

TROOP "G" HEADQUARTERS

May 14, 2002

TO: Trooper Ronald Green

FROM: Major Grady Carrick
Troop Commander 

SUBJECT: Commendation - Drug Seizure

On May 10, 2002, you stopped a vehicle for unlawful speed on Interstate 95 in Duval County. During your investigation you determined that the driver of the vehicle had a suspended license. Based on probable cause you developed, a search of the vehicle revealed she and the female passenger in the car were carrying 2 duffle bags containing over 32 pounds of cannabis. Both women were placed in custody and transported to the county jail on charges of felony possession of cannabis and other related charges.

You are to be commended for your excellent police work in this case. Because you took the initiative to look beyond the obvious in this traffic stop, the seizure of illegal drugs occurred. Thank you for doing a great job and for helping us remove dangerous drugs from our streets and highways. Keep up the great work!
