Sir:

On Saturday Jan. 12, 2002 I had the pleasure to meet Sgt Chuck Griffith due to the fact that I had a tire go to pieces while driving on I-95.

I had just got on I-95 heading south at the Wickham entrance. I am a 67 year old lady who had her 3yr old grandaights with me. Sgt Griffith was a calming influence on me. He took all my groceries out of the trunk, changed my tire and put my groceries back in. I am so very grateful to him for his assistance.

Sincerely
Loretta Allen.
