Dear Captain Duncan,

On behalf of the new auxiliary observers, I would like to take this opportunity to thank the Deland firearms instructors for the outstanding firearms training we received.

Sgt. Rick **Ritter**, Cpls. Kenny **Wiles** and Dave **Wingard**, Tprs. David **Ikeguchi** and Jim **Brazee**, and Auxiliary John **Frosier** provided excellent training. Their expertise, patience, one-on-one instruction and support, resulted in our entire group success.

We all appreciated them dedicating their weekends to assist us in this most important phase of our training. Their efforts should be recognized and applauded.

Sincerely,

A handwritten signature in cursive script that reads 'Deborah Rhyne'.
