Dear Friends,

On behalf of our patients and their families, I want to thank you for the stuffed animals donated by the Florida Highway Patrol. You were so kind to think of All Children's and your generosity and thoughtfulness are greatly appreciated.

Many good things are taking place at All Children's Hospital. We are expanding our programs and services to better serve our children thanks to the generous friends and the continued wonderful work of our physicians, nurses, technicians and staff. All Children's Hospital is blessed in many ways.

Again, thanks so much for your generous and thoughtful contribution to our children's care. It is, indeed, gratifying to know that there are people like you who care about our special children.

Sincerely,

Mary Jane Miscuk
