I am sorry I missed your call during our recent loss, but my family and I really appreciate the call.

FHP and FHPA were well represented by active officers and troopers as well as retired officers and troopers along with personnel from other branches of law enforcement.

There was one act of kindness that will forever be remembered:
At the time of visitation at the funeral home Lt. Langdale came in, spoke with the family, paid his respects at the casket and assumed a parade rest stance.

He remained in this position as a one man Honor guard for the full 2 hrs of the visitation period.

Having served in this capacity, both in the Marine Corps and for FHP and FHPA I know what a physical strain this is even when being relieved every 30 minutes.

You can rest assured that all my family and many visitors recognized this as a great tribute.

Thanks for everything:

Chuck
