Dear Sir,

I wish to take this opportunity to commend Auxiliary Lieutenant Nancy Newbold.

As an applicant for the Florida Highway Patrol Auxiliary, I was assigned to attend a First Responder, EMS Class in Tampa for the month of September.

Auxiliary Lieutenant Newbold was the instructor. Lieutenant Newbold presented an outstanding class as a very knowledgeable and professional instructor.

Auxiliary Lieutenant Newbold made sure each student understood the material, with a lot of feedback, while being in total control of the class. She made this a "want to learn" situation.

The Florida Highway Patrol can be proud to have auxiliary personnel such as Lieutenant Newbold in their ranks.

As a retired police officer and law enforcement instructor, I look forward to serving with such a fine organization.

Respectfully,

*George C. Williams*
