Dear Chief:

On behalf of our firm, KinderVision®, our staff and sponsors, I want to convey our appreciation for your department's participation in the KinderVision® program which was held on August 3, 2002 and at the Town Center at Boca Raton.

We wish to convey our special thanks to you and the personnel who attended this event for their dedication, outstanding effort and tireless enthusiasm in making this children's event so successful.

We would appreciate very much your conveying our gratitude to Troopers Gifford and Charlotte Thompson-Smith for a job exceptionally well done. The children were very excited to be able to meet and speak with law enforcement agency.

We feel very strongly that parents and children alike receive tremendous benefit from interaction with their local law enforcement departments and positive exposure to the educational programs which are available. We are all very fortunate indeed to have such professionals to protect, guide and educate the public.

We look forward to the honor of working with your department again the future.

Sincerely,
