Major David Mc Carter
Florida Highway Patrol
1011 NW 111th Ave

Dear Major Mc Carter :

In many occasions we take the time to complaint about a bad service but very seldom we take the time to praise the good work .

Today my car was disabled on the East ramp of 836 and NW 87th Avenue , while waiting for assistance I was approached by FHP Trooper Luis E. Rivero and the service he provided was outstanding.

I would like you to recognize Trooper Rivero and again thanking on my behalf,

Respectfully ,

Otto P. Campo
