Dear Colonel Knight:

Just a note to let you know how much The University of Memphis appreciated the fine, professional assistance of all of the men and women of your department during our journey to Tampa this past weekend.

The exceptional work of all the men and women of your department did an outstanding job. Especially Trooper David Schmutz and Lt. McClain of Troop C, Tampa. They are a credit to your Department and to the Great State of Florida. Boy what a job!!!!!!!!!!!!!!!!!!!!

If the Tigers would have performed as well as your Department, we would have won the game.

Thanks again, Colonel Knight not only for all the assistance provided to us on this trip to The Sunshine State, but for all the help you provide when we are in The great State of Florida.

Sincerely:

Louis J. Strasberg
University Travel Coordinator
