Dear Colonel Chris:

This summer over 2000 Scouts will attend Camp Thunder for a long-term camping experience. The strength of the Scouting program lies in the unselfish willingness of those who volunteer as leaders. We are grateful that one of your employees, Bruce Stewart, is volunteering his time to spend a week at summer camp with the youth from your area.

Dr. Forest E. Witcraft, noted scholar and Scout leader once wrote, "A hundred years from now it won't matter what type of car I drove, the kind of house I lived in or the size of my bank account, however, the world will be different because I was important in the life of a young person."

On behalf of the Flint River Council, Boy Scouts of America and these 2,000 Scouts please accept our sincere thanks for the supporting role you play in the life of a volunteer Scouter.

With much appreciation,

George McGovern
Scout Executive
