Dear Major McCarter:

On behalf of the City of Hialeah Police Department, please express our appreciation to Trooper Charlotte Thompson, Occupant Protection Specialist.

On April 13, 2002, she assisted us in a presentation for the "Child Safety Seat Check-up Event." Trooper Thompson expended a considerable amount of time and effort to assist us in producing a presentation for this event, and it is reflected in the quality of the finished product. Her dedication and professionalism reflects credit upon her service to the community.

We would like to express our appreciation to your office. Please convey our appreciation to Trooper Thompson for her assistance in this matter. We look forward to continuing the excellent working relationship that exists between the Florida Highway Patrol and the Hialeah Police Department.

Sincerely,

Rolando D. Bolaños
Chief of Police
