Dear Colonel Knight,

I would like to let you know you have a state trooper that works Liberty County That is doing a great job, Trooper Underwood. I saw Tpr. Underwood at one of the gas stations getting gas and I talked to him about speeders and drag racers on our road (Hwy. 67 A in Liberty County) It was not 15 minutes he was coming down my road and caught someone. All it took was talking to him about our road. My neighbor saw Trooper Underwood get three semi trucks at one time on one occasion.

Please let Trooper Underwood know that the people on Hwy. 67 A really Appreciate him.

Thank you,

*Jeannette Joiner*
