Dear Corporal Knight,

We would like to take this opportunity to thank some very special people in your organization. Walter Johnson, Kellie Sieffest, and Syr Nazario have become such a special part of our lives. On July 8, 2001, we lost our daughter and son-in-law in a tragic car accident, since that time we have had so much support and encouragement from these kind and caring folks.

From the beginning they were here to council with each of the children. Kellie has been especially encouraging and helpful with Hannah, our oldest grand daughter. They have become very good friends. Syr has been so thoughtful with phone calls that lifted our spirits daily. Mr Johnson has been available with advice and conversation when we were unsure of which direction to go and how to handle each situation.

We feel God has blessed our family with such caring people to get us through an extremely difficult time in our lives. All of our court dates that Hannah has had to be present, Kellie has been there to encourage her and keep her calm and secure. All of these kind people have been a God send, they have helped us to continue on when sometimes we just felt like this would never end. Thank you just doesn't seem like enough. God Bless you and your organization always, and we thank you for being there for our family. We wish you continued success of this project for other families in the future.

God Bless you always, From the family of Roy & Wendy Cummings, their children and sisters and all their families, Mr & Mrs M. C. Ivey,

*Wendy Mitchell Ivey*
