Dear Cpl. Glass:

On behalf of the students and faculties of the Walton County Vocational-Technical School and Walton High School, the Career Day Committee would like to thank you for your participation in this year's Career Day. The students appreciated the opportunity to visit with you and receive valuable career information and advice. They were impressed and felt enthusiastic over your sincere presentation. You made a positive difference in the students' lives.

Again, thank you for your hard work, dedication, and overwhelming support. If you have any suggestions that would help improve our Career Day, please feel free to contact me at the address or telephone number shown or at my e-mail address: [anderscl@walton.k12.fl.us](mailto:anderscl@walton.k12.fl.us). We would like to hear from you and would appreciate your input. We hope to see you at our next Career Day.

Sincerely,

Cynthia Anderson
