SUBJECT: Commendation
Stop Red Light Running Week

It is my pleasure to commend you for your excellent work in the recent Stop Red Light Running campaign conducted by Troop "G". During this effort, you worked diligently to enforce the laws concerning this dangerous violation. As you know, about 1 out of every 5 fatal crashes occurs at an intersection. Because of your work, this dangerous situation is made better.

Thank you for your hard work and once again, keep up the great job!
