SUBJECT: Accolades To The Florida State Highway Patrol

Dear Governor Bush:

At about 7:30 P.M. EST on November the 13<sup>th</sup>, the transmission on my van ceased to function. I was located at the 140-mile marker call box on I-10 near Marianna, FL.

I have AAA Service, which I had contacted by cell phone but, however, without help.

During this time officer Duane Davis arrived on the scene.

He was of immediate help in locating a towing service and taking me to a truck stop to wait.

Too often we think only of these officers as simply waiting to catch speeders.

My experience has been that they are there for the general safety and assistance of the public.

Again, as I am 81 years old and travel I-10 and I-75 weekly, I am glad the highway patrolmen are there.

Officer Duane Davis was especially helpful and courteous.

Very truly yours,
