Re: Invest. agency report # 02-40-26388-04

Dear Sir:

We would like to commend officer Willard Fleetwood badge # 9809 Florida Highway Patrol.

He handled an accident December 26th when our 5th wheel trailer and truck rolled over on highway 19. He was very helpful to us in handling the situation, patient with us in our state of shock while explaining things, and extremely courteous and professional in every way. We want to thank him for his help and see that his superiors are aware of his manner in handling the accident.

Officers receive too few "pats on the back" for risking their lives every day for our safety. Please see that he has a copy of this letter and please place one in his personnel file.

Sincerely,

Patricia Corley
