Re: Accident investigation.

11/26/2003

I am writing to commend the actions of Trooper W. Foden during a accident investigation occurring on Wednesday November 26th (FHPC030OFF053481). His professionalism and up most sincere regard to determine the facts surrounding this case were admirable. His demeanor was outstanding. We are very fortunate to have Trooper Foden working to protect the great people of Florida. He is a asset to the Florida Highway Patrol - State Troopers.

Sincerely,
