I am writing to advise you of the great job Trooper William Hitchcox is doing. I am assigned to 41<sup>st</sup> Street, a High Drug Trafficking Area in Marathon and I have heard from all of my citizens here that William does a great job stopping vehicles in the area and helping us fight the crime here. I don't hear this a lot about officers so I really want you to know of the great employee you have and he should definitely be recognized for a job well done. Thanks again and keep up the great work.
