Chief of Field Operations

I'd like to take this moment to inform you of an officer that went beyond the call of duty and his name is John Iadanza. What he did was hold traffic at bay while I was maneuvering my vehicle with flat tire off the road and into a parking lot. I expected and appreciated him to do that; but, to offer to change my tire was exceptional. I was just a little late to work and that in itself was great despite the situation.

That's why I am sending you this letter to put in his file for the good deed he did for me.

Sincerely,

Linda McKenzie
