Dear Major McCarter:

I would like to take this opportunity to thank your department, particularly Sergeant Edward S. Jones and Trooper R.E. Addison for assistance with a multi-agency D.U.I Sobriety Checkpoint conducted on March 14, 2003.

The above troopers participated in this operation which took place in the 1300 Block of Kennedy Causeway in the City of North Bay Village. I wish to express my sincerest appreciation and deepest gratitude for your agency's assistance with this important undertaking. Without the diligence, courtesy, and professionalism displayed by your department, this operation would not have been successful and made such an impact on impaired driving.

If I can ever be of assistance to your department, please do not hesitate to call on me.

Sincerely,

Irving Heller,  
Chief of Police
