Dear Colonel Knight:

I would like to commend Major David McCarter and Captain Jaime Picanol for their assistance. Our department requested a Cultural Diversity Instructor from your agency to teach a class to our officers.

Major McCarter without hesitation authorized the request and Captain Picanol came to our department to teach the class. Captain Picanol was very professional and organized and came prepared with an array of audio visual aids. Our officers had nothing but positive comments about Captain Picanol's instructing techniques.

Please relay our many thanks to these two troopers and if we can be of any assistance to your agency, please do not hesitate to contact us.

Very truly yours,

Alexander E. Rolle, Jr.
Chief of Police
