Dear Ms. Miller,

On behalf of the Panama City Fire Department, we wish to thank you for your participation at this year's Fire Safety Open House that was held at the Central Fire Station on September 6, 2003. We would like to give credit and thanks to all of the organizations and people, such as yourself, who helped to make this year's Open House a success.

We had a wonderful turnout, reaching many people in the community and providing them with various fire and life safety educational materials. It was also a pleasure to see children and adults enjoying a fun filled day.

Your dedication and efforts towards public education does not go unnoticed and is very much appreciated. We were so glad to have your commitment this year, and we hope to have your continued support in future events.

Sincerely,

Jerry W. Prater
