Re: Trooper Kim Miller, #2282 and
Bonnie Scott, Judicial Liaison

Dear Ms. Lambert:

I recently attended a circuit judges' conference in Orlando. I was pleasantly surprised to find that the Department of Highway Safety and Motor Vehicles Division of Drivers Licenses had set up a stand to allow attendees at the conference to renew their drivers licenses. I had the opportunity to speak with Trooper Kim Miller (#2282) and Bonnie Scott who were of great help in not only renewing my license, but sealing my records pursuant to the confidentiality provisions for judges contained within the Florida Statutes. I am writing to commend you, Trooper Miller, and Ms. Scott on the services provided. Both Trooper Miller and Ms. Scott were extremely courteous and professional in their demeanor and assistance. All too often we only hear from the public when they feel it is necessary to lodge a complaint. In this instance I feel it is appropriate to write and let you know of the outstanding service provided by you and your personnel. I did not have an address for either Ms. Scott or Trooper Miller so that I could provide them with a copy of this letter. I would, therefore, appreciate it if you would forward a copy to them for review. I thank you for your consideration and assistance.

Sincerely,

Peter D. Blanc
Circuit Judge
