*Dear Officers:*

*Through out this message we would like to recognize fully the great service you are rendering to the community. We want to express to you, the members of the Police Department, our great appreciation for the cooperation and support which you have given us days ago when you were looking for our son.*

*Many of you have willingly accepted difficult committee assignments. Many of you have taken time out to render services to this community at a great personal sacrifice. You are a great group of men and women, and to each of you we owe our sincere gratitude and respect.*

*Personally I will like to thank following officer Ms. Claudia Mulvey, who with her dedication and quick response found my son that night of Feb. 21, 2003 at 11:30 pm.*

*I will be for ever grateful.*

*You always will be in our hearts and in our daily prayers. God bless you and carry on.*

*Sincerely*
