Dear Sir:

On December 25, 2003 my wife was stopped for a minor infraction while traveling to our domicile.

She was stopped by Trooper Sgt. T. W. Prescott (ID#0355-0264) for a minor infraction. We would be remiss if we didn't comment on this officer's courtesy and professional behavior.

Sgt. Prescott is indeed a credit to your organization and to the law enforcement community.
