Dear Colonel Knight:

The Arkansas State Police conducted promotional examinations for the ranks of Sergeant and Lieutenant during March 2003. As a result of this process our consultants SHL, USA will successfully produce a banded list of qualified candidates for future promotional consideration. Critical to the success of our promotional system is the Oral Board Assessment phase. Lieutenant Aurelio Ramil and Sergeant Stephanie Redding of your department participated as assessors during this process that required dedicated hours of training and actual one on one assessments of our candidates. Lieutenant Aurelio Ramil and Sergeant Stephanie Redding were most productive and instrumental in the success of our process.

The Arkansas State Police owe much thanks and appreciation to your organization and Lieutenant Aurelio Ramil and Sergeant Stephanie Redding who represented your agency in an exemplary manner.

Sincerely,

Wayne Eddy, Major
