Commanding Officer
For Trooper Nephthai Rivera
FHP TRDOP
1011 NW 111 Av
MIA, FL 33172

To whom it may concern

I wish to advise you that Trooper Rivera is a tremendous asset to your force. He is very kind, courteous, helpful, compassionate, understanding and very efficient.

I was rear-ended back in Oct trying to get on the Palmetto by the airport. Trooper Rivera was very considerate and helped me get on the Palmetto.

I had broken my wrist previously and still have a hard time writing, that's why this has taken so long to write this.

Sincerely
Ruth Corbett
