Re: Trooper Ronald Roberts / Letter of Appreciation

Date: February 05, 2003

Dear Colonel Knight,

I am writing to commend the efforts of one Special Trooper. On Saturday February 01, 2003 my wife and I were traveling north on I-95 in Vero Beach when our Honda vehicle became disabled with a flat tire. Florida Highway Patrol Trooper Ronald Roberts stopped to help us and arranged for a tow truck to take our vehicle off the interstate. Trooper Roberts also assisted my wife by taking her to a rest stop to use their facilities.

We are writing to extend our thanks to you and Trooper Roberts for a job well done. He is a credit to your agency, and went out of his way to ensure that we were cared for in a professional manner. We did not want this good deed to go unnoticed by his supervisors in Vero Beach, FL.

Sincerely,

Anthony Mauro
